

## Annual Revisions to the SUDAS Standard Specifications 2013 Edition

Please remove the old sheets and place the revised sheets in your manual. Some pages are completely new and do not replace an existing sheet. Also, some pages do not contain revisions, but are included due to changes on the other side of the sheet or a change in the page number. **PLEASE READ CAREFULLY - PAY ATTENTION TO THE SECTION NUMBER!** Questions can be directed to Beth Richards, SUDAS Program Coordinator, at 515-294-2869 or brich@iastate.edu.

Please replace the following: the small business card on the spine with the card titled "2013 Edition," the Foreword, the Contributors and Acknowledgments page, and the general Table of Contents. You might also find it helpful to keep this sheet just behind the general table of contents.
