

PREFERRED RAMP ①

OPTIONAL RAMP ②

Refer to Figure 7030.204 for general ramp details.

- ① Construct preferred ramp when sufficient right-of-way is available.
- ② Optional ramp is acceptable if center island cannot be constructed at a minimum width of 2 feet and height of 3 inches.
- ③ Landing: Maximum slope of 2% in any direction.

Key

W = Sidewalk width as specified in the contract documents.

-  = Ramp
-  = Landing
-  = Detectable warning
