

## 2025 Edition Revisions to the SUDAS Standard Specifications

To updated your printed manual, print this packet. Then remove the old sheets and place the revised sheets in your manual. Some pages are completely new and do not replace an existing sheet. Also, some pages do not contain revisions, but are included due to changes on the other side or a change in the page number. **PLEASE READ CAREFULLY - PAY ATTENTION TO THE SECTION NUMBER!** Included shading to help distinguish between divisions. Questions can be directed to Beth Richards - [brich@iastate.edu](mailto:brich@iastate.edu). The current edition of the manual, with the latest revisions incorporated, can be found at [www.iowasudas.org](http://www.iowasudas.org).

<i>Div</i>	<i>Section</i>	<i>pg #</i>	<i>Summary of Revision(s)</i>
Manual introductory info			Updated the Contributors and Acknowledgments and general table of contents pages. <i>Note - if you want to replace the small business card for the spine of your manual, you can print a copy from our website.</i>
1	1070, 2.04, C	7-10	Added language prohibiting the storage of flammable and combustible materials from under overhead structures in the right-of-way.
